India- Denmark Bilateral Relations**

India-Denmark Relations

The diplomatic relations between India and Denmark, established in September 1949, are marked by regular high level exchanges; and are based on historical links, common democratic traditions and shared desire for regional, as well as international peace and stability. Bilateral relations were elevated to the level of “Green Strategic Partnership” during the Virtual Summit held on 28 September 2020 between Prime Minister Shri Narendra Modi and Prime Minister of Denmark Ms. Mette Frederiksen. The current development of renewed India-Denmark relations has been guided by the “Green Strategic Partnership”.

I. Recent High-Level Interactions

2. Hon’ble Prime Minister Shri Narendra Modi paid an official visit to Denmark on 3-4 May 2022. The visit included two components- bilateral talks with PM Frederiksen and the 2nd India-Nordic Summit co-hosted by India and Denmark. During the bilateral talks, the two Prime Ministers reviewed the progress of India-Denmark Green Strategic Partnership and exchanged views on regional and global issues of mutual interest. Queen Margrethe II received Prime Minister and hosted an official reception in his honour the same day. PM also interacted with the Indian community in Copenhagen and participated at the India-Denmark Business Forum at the Confederation of Danish Industry. On 4 May, PM attended the 2nd India-Nordic Summit along with the Prime Ministers of Denmark, Iceland, Norway, Sweden and Finland and reviewed the India-Nordic relations. A Joint Statement reiterating strong commitment to multilateralism and international cooperation, and a robust partnership with Nordic countries to help promote innovation, economic growth, climate friendly solutions and mutually beneficial trade and investments was issued. On the sidelines of the Summit, Prime Minister held bilateral talks with PMs of Finland, Iceland, Sweden and Norway. During the visit, government-to-government MoUs/Agreements in the fields of migration and mobility, green shipping, cultural exchange programme, water resource management, skill development, animal husbandry and dairying were exchanged.
