The bidders meeting the pre-qualification criteria shall be evaluated as per the Quality Cost Based System (QCBS) which will include 80% weighted score for quality (Technical bid) and 20% weighted score for the price (price bid).

Evaluation of technical proposal will be as follows:

BEML will constitute a Technical Committee to evaluate the responses of the Bidders in QCBS Method.

The Technical Committee constituted by BEML shall evaluate the responses to the RFQ and all supporting documents / documentary evidence. Inability to submit/upload requisite supporting documents / documentary evidence, may lead to rejection.

The decision of the Technical Committee in the evaluation of responses to the RFQ shall be final. No correspondence will be entertained outside the process of negotiation/ discussion with the Committee.

The Technical Committee may right to seek clarifications from the bidder/s for the documents already uploaded by the bidder/s at any point of time during the technical evaluation if required.

The Technical Committee reserves the right to reject any or all proposals on the basis of any deviations.

Quality Cum Cost Based Selection (QCBS) Evaluation Criteria

The broad criteria for evaluation of the bids would be a Quality cum Cost Based System (QCBS) as follows:

Sl. No.	Particulars	Item	Percentage (Weightage)
1	Level-I	Technical Bid Evaluation	80%
2	Level-II	Commercial Bid Evaluation	20%
3	Level-III	Combined Evaluation of Technical & Financial Bid	-
		Total	100%

The score of the bidder, as per the documents submitted, shall be allotted by Evaluation committee constituted by BEML and its decision will be final.

After opening and evaluating the financial proposals of technically qualified bidders, a Relative Technical Score (RTS) & Relative Financial Score (RFS) shall be arrived based on the formulas.

i. Level-I : Technical Bid Score : The Relative Technical Score(RTS) of the Bidder shall be derived as under :

a) $RTS = (TS / HS) * 100$ where,

RTS = Relative Technical Score.

TS = Technical Score obtained by concerned Bidder.

HS = Highest Technical Score obtained among all the Technically Qualified Bidders.

ii. Level-II : Evaluation of Financial Bids: The Financial Bids of the Bidder, who are Technically Qualified shall be considered to determine Relative Financial Score (RFS) and shall be derived as under :

a) $RFS = (LFB / QFB) * 100$ where,

RFS= Relative Financial Score.

LFB= Lowest total quoted Financial Bid per year among all the
Technically Qualified Bidders

QFB = Total Quoted Financial Bid per year by concerned Bidder

viii. Level-III : Combined Evaluation of Technical & Financial Bid : A Final

Composite score shall be arrived as per the following formula based on the weightage mentioned in technical scoring criteria

Final Score = (RTS x 80%) + (RFS x 20%)

The proposal with the Highest Final Score (quality and cost) as per the predefined formula shall be declared as the “Selected Bidder”.

In the event that there are 2 or more bidders having the same weighted composite score after technical and financial evaluation, the bidder securing the Highest Relative Technical Score (RTS) will be declared as “selected Bidder” for award of the Contract.

For example:

	Technical Evaluation		Financial Evaluation		Result
Weightage	80%		20%		
	Marks	Score Calculated	Marks	Score Calculated	
Bidder 1	75	83	120	83	83
Bidder 2	80	89	100	100	91.2
Bidder 3	90	100	110	91	98.2

Technical Evaluation Criteria

Bidder Should score more than or equal to 39 marks out of 70 marks in the Technical Bid evaluation to be qualified for the technical presentation.

Bidder Should score more than or equal to 17 marks out of 30 in the Technical presentation evaluation to be qualified for commercial evaluation.

Only those bidders who have achieved qualifying technical score both in technical bid documents and technical presentation will be treated as Technically qualified and only their financial proposals will be opened.

By signing the Statement of Integrity (form available as Appendix to Letter of Bid) the contractor, supplier or consultant declares that (i) *“it did not engage in any practice likely to influence the contract award process to the Employer's detriment, and that it did not and will not get involved in any anti-competitive practice”*, and that (ii) *“the negotiation, the procurement and the performance of the contract did not and shall not give rise to any act of corruption or fraud”*.

Moreover, the Agency requires including in the Bidding Documents and Agency financed contracts a provision requiring that bidders and contractors, suppliers and consultants will permit the Agency to inspect their accounts and records relating to the procurement and performance of the Agency-financed contract, and to have them audited by auditors appointed by the Agency.

The Agency reserves the right to take any action it deems appropriate to check that these ethics rules are observed and reserves, in particular, the rights to:

Reject a proposal for a contract award if it is established that during the selection process the bidder that is recommended for the award has been convicted of corruption, directly or by means of an agent, or has engaged in fraud or anticompetitive practices in view of being awarded the contract;

Declare mis-procurement when it is established that, at any time, the Employer, the contractor, the supplier, the consultant or its representatives have engaged in acts of corruption, fraud or anti- competitive practices during the contract procurement or performance without the Employer having taken appropriate action in due time satisfactory to the Agency to remedy the situation, including by failing to inform the Agency at the time they knew of such practices.

The Agency defines, for the purposes of this provision, the terms set forth below as follows:

a) Corruption of a public officer means:

The act of promising, offering or giving to a public officer, directly or indirectly, an undue advantage of any kind for himself or for another person or entity, for such public officer to act or refrain from acting in his official capacity;

any other person who performs a public function, including for a State institution or a State- owned company, or who provides a public service;

any other person defined as a public officer by the national laws of the Employer.

c) Corruption of a private person means:

d) Fraud means any dishonest conduct (act or omission), whether or not it constitutes a criminal offence, deliberately intended to deceive others, to intentionally conceal items, to violate or vitiate consent, to circumvent legal or regulatory requirements and/or to violate internal rules in order to obtain illegitimate profit.

e) Anti-competitive practices means:

any concerted or implied practices which have as their object or effect the prevention, restriction or distortion of competition within a marketplace, especially where they (i) limit access to the marketplace or free exercise of competition by other undertakings, (ii) prevent free, competition-driven price determination by artificially causing price increases or decreases, (iii) restrict or control production, markets, investments or technical progress; or (iv) divide up market shares or sources of supply.
